“Deckplate Leadership”

Informational Brochure

Serving the Patuxent River
Active/Retired Chiefs and
Local Community

Updated 26 Oct 2018

Who We Are

We, the members of the Patuxent River Chief Petty Officers Association, in order to: promote, foster and develop superior enlisted leadership skills and abilities; increase and encourage opportunities to aid each other

in professional growth; provide a forum for the discussion of problems, requirements and goals; use our individual and collective leadership skills in ways that will strengthen the chain of command and build a

superior level of confidence in senior enlisted leadership, do hereby establish this association. We, in turn, enjoy the privileges, responsibilities and rights commensurate with the Chief Petty Officers that have served before us, and shall ensure our professional and personal demeanor is such as to guarantee those same rights, privileges and responsibilities for those who follow us. We, both jointly and severally affirming that we are proud to bear the title of "THE CHIEF" and striving to place the reputation and core values embodied in that title above our own personal interests, declare this to be the Preamble to the constitution of the Patuxent River Chief Petty Officers Association.

What We Do

- The Patuxent River Chief Petty Officer's Association has dedicated itself to the service of our Sailors, Community and Brother and Sister Chiefs in the Southern Maryland area.
- We take pride in engaging in community projects such as Christmas in April, Habitat for Humanity, Adopt-a-Highway.
- Donate to various organizations/causes such as;

Civic Organizations Supporting the Military and our Vets—We combine forces with our local Fleet Reserve, American Legion, and VFW throughout the year supporting various events.

Patuxent River CPO Scholarship Fund— We contribute to our local scholarship fund for children of our active members toward continuing education. Chiefs Taking Care Of Chiefs is the way we do business.

National CPO Scholarship Fund — Each year, the Chief Petty Officer Scholarship Fund provides scholarships to qualified family members of Navy Chief Petty Officers, active duty, retired, and reserve.

Patuxent NJROTC — Patuxent NJROTC has the distinction of holding the high school's only two national championships: one for its 2003 JROTC Orienteering National Championship and the other for its 2006 National Championship in Armed and Unarmed Standard Drill.

Shop with a Cop — Founded by the Optimist Clubs of St. Mary's County and the members of the F. O. P. Lodge 7. Together we raise money so underprivileged children can go shopping with Law Enforcement Officers for back to school necessities and Christmas presents for their families and themselves.

Holiday Baskets — Every year, we donate and assist putting together gift baskets for both Thanksgiving and Christmas to approximately 200 of our junior Sailors and their families.

Toys-For-Tots, and Much More...

Membership Benefits

- First and Foremost, a voice and a vote. We will only succeed with fully engaged "Active" members, not just members with active membership.
- 24/7 Access to the Goat Locker. Our Goat Locker is one of a few in the World that is completely run and managed solely by our Association. Play darts or horse-shoes, watch a DVD or DirecTV in HD on our LCD TV's, Surf the Internet, listen to music, or check your personal or work email (yes we have a CAC reader).
- Free Gift when dues are paid for 1 year in advance.
- Eligibility for the Patuxent River CPOA Scholarship Fund.
- Exclusive CPOA events held in a variety of venues such as;
 - Dinner Night Out.
 - Dining In.
 - Family Day Events.
 - Spouse Appreciation Dinners.
 - Member-Only Gift Give-a-Way at any open events.

Dues can be paid in cash, check, MO, or PayPal (fee free via our website).
