○ Retired Affairs

- We (Historic St. Mary's City Foundation (HSMCF)) need your assistance for the eight annual Historic St. Mary's City Beer Fest, to be held June 23, 2018 from noon until 6pm at Historic St. Mary's City Museum (47418 Old State House Road St. Mary's City, MD 20686).

We still need about 30 volunteers to help us with the event on June 23rd. On that Saturday, we need help setting up in the morning, staffing the registration tables, assisting with event guest, and cleaning up when the day is done. If you volunteer for 3 hours the event cost will be free

The day's activities include music by local bands, special tours of the Van Sweringen's Ordinary exhibit, beer making demonstrations, a kids' activity tent and activities in the State House. Visitors will also have the opportunity to taste the products of regional microbreweries, and to shop amongst select craft vendors, and grab a bite to eat. All proceeds from this event will help further education and research at the museum.

Additionally, these funds also support the collections department that cares for over 6 million archaeological artifacts, as well as the research department that every year discovers more about our shared heritage. Special thanks to our premier sponsor Patuxent Dental who's helping to make this event happen.

Please consider helping out, see the event details can be found on stmarysbeerfest.org. Also, consider sharing information about this opportunity with everyone to support our local community events!
