- Warrior Dash 11 August 2018 Saturday 1200-1900 (Clarksburg, MD): CPOA has historical volunteered for this event. We are scheduled 1200-1900 to provide 31+ volunteers that Saturday. Transportation is being worked to help get people to and from the event. This is an opportunity to have a great time, make some money for the CPOA and rack up some volunteer hours motivating the participants running the race. More information to follow.

- 23 Aug. 24-25 Volunteers needed for veteran home repair. I have a group from base that will be doing prep work (digging holes, cement etc.) for a large ramp for a veteran we are doing. I will absolutely need volunteers 24-25 (possibly the following week depending on if we get it completed!) This veteran also will need major renovations inside his home to make the bathrooms accessible to him as well, so we will need volunteers to be able to have this veteran. Final Note from Laurie:

We do have a couple others we are still in the process of firming up the scope of work on! So we have the need just need the volunteers to help these veterans live in their home with the dignity they deserve!
